

# NWR

New to the area looking for chums  
Busy career women, stay at home Mums,  
Retired ladies who still enjoy fun  
Enrolled in a group to suit every one.  
Lively discussions and rambles and such  
Visits to workshops that teach us so much.  
Meetings where we take turns being host  
And sharing of friendship which I enjoy most.  
The reading of chosen books for review,  
Quite varied the input from all of us who  
Would like to express how grateful we are  
To all those who help run NWR!
