COME ON IN!

Come on into our topical meetings,
Come on in and have a laugh,
Taste our biscuits and our coffee;
So come on in, please come on in.

And yes, you can stand in our meetings,
And breeze out at any time,
You can pick up ideas aplenty,
Or treat it all with gay aplomb.

You may roll up to see a show,
Or hear a speaker expound at will,
Or scour a book for hidden meanings,
And at the end, you enjoy it still.

So come on into our topical meetings,
Add your voice, yes do be heard.
We need your input to make it better,
So come on in, please come on in.
