

## HAIKU

### SPRING

Cherry blossom brings  
Pleasant anticipation  
Of lengthening days

### SUMMER

Bare legs and sun screen  
Cooling drinks on the Terrace  
Salad days are here!

### AUTUMN

Weary struggling sun  
Birds departed, flowers gone  
Bonfire smoke curling.

### WINTER

Cold. spluttering cars  
Turkey and tinsel laden,  
Skies heavy with snow.
